

# WELCOME TO 6TH GRADE!

Dear Parents, Guardians, and Students,

Welcome to the 2025-2026 school year at the J.G. Pyne Arts Magnet School! We are so excited for this upcoming year! We are sending home this information in order to introduce ourselves and to prepare you for what to expect for 6th Grade in the coming school year.

We will have high expectations for your child's effort and achievement. We ask you to support us in helping your child meet these high expectations. In the fall you will receive additional information to support your student's success in 6th grade which will include the rules of sixth grade, parent communication, Schoology access, and more! To get the ball rolling, we have attached the 6th Grade Specific Supply List.

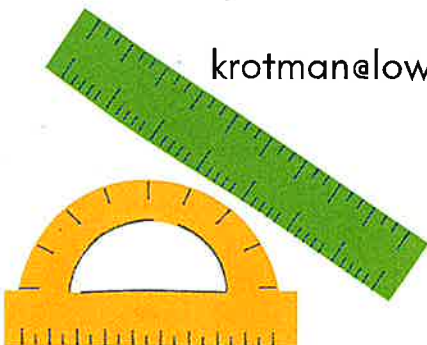

Thank you for your cooperation and support. Sixth grade is an important and challenging year, and we are excited to work closely with you in order to help guide your child through it!

Sincerely,

Mrs. Rotman and Mrs. Urbine
