

WELCOME TO **7th & 8th GRADE!**

Dear Parents, Guardians, and Students,

Welcome to the 2025-2026 school year at the J.G. Pyne Arts Magnet School! We are sending home this information in order to introduce ourselves and to prepare you for what to expect for 7th & 8th Grade in the coming school year.

We will have high expectations for your child's effort and achievement.

We ask you to support us in helping your child meet these high expectations. In the fall you will receive additional information to support your student's success in 7th & 8th which will include the class expectations, parent communication, Schoology access, and more! To get the ball rolling, we have attached the 7th & 8th Grade Specific Supply List.

Thank you for your cooperation and support. Both 7th & 8th are important years to get ready for high school and we are excited to work closely with you in order to help guide your child through the process.

Sincerely,

The 7th & 8th Grade Team
