Upcoming EVENTS

April 4th
Field Trip Drumlin
Farms

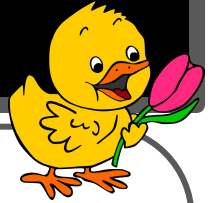

April 15th-19th
Spring Vacation

April 26th
St Math Day

Reminders

It's very important that students arrive to school at promptly 8:30. We clean up from breakfast at 8:50 to begin instruction at 8:55. When your child comes in past this time, they are missing breakfast and instruction.

APRIL

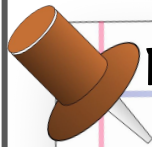

Our Learning *Focus:*

Reading: Students have been exposed to all different genres of literature. We will continue working on individual skills during independent reading.

Math: We are working on addition and subtraction with 1,000. Please continue working on math strategies at home.

Writing: We are reading and writing fairy tales. We will begin with adapting a classic tale as a class, then students will independently adapt a fairy tale, in the end, they will write their very own fairy tale.

Practice at home...

Math facts and math strategies. If you have any questions, please reach out!
