**School Site Council Meeting Minutes**  
**May 28, 2024**

**In Attendance:**

**1. Summer Enrichment Updates:**

- **Summer Programming** - We would again be having this at STEM for our own students, but district programs would be up in the air due to our construction.
- **Afghan Refugee Program** - This program may not be held at STEM for the same reasons as the above.
- **Police Academy** - We are again hosting Police Academy Camp, which is a very popular program.

**2. Facilities Overview**

- **Modular Construction** - We are supposed to be able to have occupancy two weeks prior to when students report, but this is subject to change with more delays.
- **Building Layout** - We are going to have a much larger floor plan, and also more equitable opportunities for our allied arts classrooms.

**3. Culture Night**

- **Thank you to those involved in planning** - This event was a huge success for both our families and staff. We will definitely continue this moving forward.

**4. STEM Surveys** - Mrs. Mac helped to create the survey that we used as part of our budget process and we would like to continue asking for this type of input from our families.

**5. Adjourn**
