1. QIP: A Data Checkpoint: We discussed our goals and reviewed our progress—all goals are progressing, but not have been completed. This is year one of our three year focus.

2. Open Positions: We do not have any open positions as of now, but we reviewed the Compendium process in LPS and how we will have to list any position for a LTS (emergency licensure or date of hire).

3. Budget/Building Improvements: We discussed using a portion of the money we recouped from grants being picked up in order to fund our painting project. We still have not received word on when the cafeteria restrooms will be added. We also would like to fund new lighting in the cafetorium.

4. New Business: We had questions about our anti-bullying program (Second Step), and how we can continue to make our SEL interventions more targeted towards our students.

5. Adjourn
