1. Organizational Check-in

2. Planning for QIP process

a. [5 Why's - Optional Reading](#) - reviewed

b. Needs Assessment -

i. The QIP needs assessment process is comprehensive and focuses on the entire school. Teams should collect and examine data from a variety of sources and identify priority need areas in all aspects of school operation & functioning. The focus of the needs assessment is to identify strengths of the current program, but also to identify weaknesses, obstacles and barriers in each of the dimensions.

ii. This section should include a collection of data collected from a variety of sources to determine strengths and needs of the school community.

c. [Teacher Needs Assessment](#)

d. [Family Needs Assessment](#)
