c. Pyne Arts Priority Areas of Focus for 2025/2026

Pyne Arts Areas of Focus 2025/2026:

1. Refine and Maintain the design and use of High Leverage Language Practices:
 - CO/LO, explicit vocabulary review, student discourse, and writing across content areas
 - Implement ARC (K-4) and EL (5-8)
2. Math Enrichment (APEX work) - CPTs and Early Release Day Activities
3. Deeper Learning - We will learn this concept and observe in lessons.
 - Focus Year 1 = Collaboration and Critique
4. Create a Culture of resilient learners.
 - Students - will be introduced to CREW and SEL lessons
 - Teachers - will engage in mentoring & professional learning
5. **Arts Enrichment Block Updates: (New Classes)**
 - a. Media Arts - photography and podcast making is a huge hit
 - b. Orchestra - excellent new edition
 - c. STEAM - exploring projects for a potential school-based fair
 - d. Improved academic supports (EL, Reading, and Math)
6. **Open Discussion:**
